

## ACKNOWLEDGEMENTS

This report could not have been produced without the incredible contributions of the following people and organisations:

*A member of the Friends of Lucy's Mill Bridge Team is shown by the FOLMB next to their name*

The Stratford Town Council

For their grant that has enabled the group to do its work – to Sarah Summers (Town Clerk) and all her team for their support (especially features in 'Bridging the Gap')

To all the young actors who have starred in our videos

To all the volunteers who helped with the bridge count surveys

To Roger Clay (FOLMB) and all the team at the Avon Navigation Trust who helped with the surveying for these proposals

To Mike Sheard (FOLMB) who is our Project Manager

To David Reed (FOLMB) and all his staff at Stratford's Waitrose Store

To the Management and Staff at the Arden Hotel for their support on our Open Day

To the Editor of the Stratford-upon-Avon Herald Amanda Chalmers and her team – for all the coverage they have given this project

To the committee and members of what was Stratford Voice – for their support and for their donation when Stratford Voice finished its work

To the staff and pupils at KES – who made their own video for us and volunteered at various events

To Elizabeth Dixon – for her support and advice when analysing the plans for this project

To the planning staff at Stratford District Council

To Peter Wiltshire (FOLMB) – for everything he helped with (so much!)

To Trevor Edwards (FOLMB) and John Quinn (FOLMB) of Hawkes Edwards Architects – this project simply would not be where it is now without their professional work which they have voluntarily given

To David Morgan (FOLMB) – for his planning, marketing and PR advice and his work on our social media

To the last remaining inaugural 'Friend' of the Bridge – our Chair Richard Eden – Richard has stuck with this project through thick and thin for near six years and now leads us to hopefully a decision being made.

A finally – our thanks to Joan McFarlane who was our Chair from 2013 until she so tragically passed away last December – Joan will be missed by so many people and groups in our Town and her dedication to Lucy' Mill Bridge was un-ending
